**Central Coast Local Health District is currently advertising for Career Medical Officers in Emergency Medicine. We invite you to come and be a part of our Central Coast Community.**

### **Junior Medical Officer - Career Medical Officer Emergency Medicine**

Central Coast Local Health District (CCLHD) has an opportunity for suitably experienced Career Medical Officers to work in the CCLHD Emergency Medicine Departments located on the NSW Central Coast.

The Emergency Medicine Departments are well supported by committed Physicians and Junior Medical Workforce with a tight team that is highly procedurally focused.

We're looking for suitable qualified candidates who have experience in Emergency Medicine, and are committed to clinical practice review and improvement, as well as further clinical training and teaching. The Local Health District has strong links with the University of Newcastle Medical School.

The position is required to deliver direct patient care and supervise Junior Medical Staff in managing patients attending the Emergency Department at Wyong and Gosford Hospitals, within Central Coast Local Health District. The position ensures the provision of on-site experienced medical staff to provide management to these patients.

Urgent Care Centre (Wyong Only), requires the provision of on-site experienced medical management to lower acuity patients.

The CMO will participate in a rotating roster of days, evenings, nights and weekends.
