Masters (Msc) in Health Professions Education (HPE)

The Graduate Entry Medical School with the support of colleagues in the Schools of Allied Health, Education and Department of Nursing & Midwifery have developed a Masters in Health Professions Education which is designed to meet the educator training needs of busy health professionals both locally and internationally.

The programme will be delivered part-time over 2 years, in two formats, commencing in September 2019. The application deadline is 31st July 2019.

- Blended Learning - targeting those students who favour the social and collaborative nature of face to face learning.
- Online/Distance Learning - targeting those individuals who, for whatever reason, cannot present physically on campus.

For further information including course requirements see link below:

<http://www.ul.ie/gems/msc-healthprofessionseducation>

Or contact Laura.Howard@ul.ie

Key features of the programme include:

- *Options of blended and online/ distance learning*
- *Research led, practice based, inter-professional teaching*
- *Regular feedback and tutor interaction*
- *Innovative collaborative learning experiences with the aim of promoting a stimulating learning environment as outlined in the University of Limerick's "Engaged Learning" strategy.*
