

# CAPPAGH NATIONAL ORTHOPAEDIC HOSPITAL

Cappagh National Orthopaedic Hospital has 159 beds and is the major centre for orthopaedic surgery in Ireland. The Hospital is a tertiary referral centre for the treatment of complex orthopaedic problems including joint replacement surgery, revision joint surgery, foot and upper limb surgery, primary bone tumours, spinal surgery, sports injuries and paediatric orthopaedic surgery covered by a total of 26 Orthopaedic Surgeons. This position will be under the supervision of Prof. John O'Byrne, Abraham Colles Professor of Orthopaedic Surgery.

Applications are invited for the position of:

## FELLOWSHIP in LOWER LIMB ARTHROPLASTY (POST CCT)

**Commencing July 2020  
12 Month Contract**

This position would ideally suit candidates who have completed their CCT training and are seeking further international experience in respect of lower limb arthroplasty surgery prior to applying for Consultant Orthopaedic Surgeon positions.

Interested Applicants should:

- Hold Membership of the General division of the Irish Medical Council register.
- Hold International Police Clearance (*for any previous residence outside of Republic of Ireland*).
- Be compliant with English Language requirements for NCHD's as per [HSE HR Circular 022/2018](#).

**For further details on the requirements of this post, please contact Ms Melanie O'Rourke, Deputy HR Manager, on (+353) 1 8140376.**

---

Interested candidates should submit a letter of application, a copy of their Curriculum Vitae and the names of three referees to [human.resources@cappagh.ie](mailto:human.resources@cappagh.ie)

**Closing Date for receipt of Applications is 12:00pm on Friday 21<sup>st</sup> February 2020.**

- Shortlisting will take place and only those shortlisted will be contacted by the Hospital.
- Pay and conditions as per Department of Health guidelines.
- Cappagh National Orthopaedic Hospital is an equal opportunities employer.
- Data Protection: Please refer to the hospital's website to learn more about how we handle your personal data and the rights that you have during the recruitment cycle
