

10<sup>th</sup> September 2020

MedLaw provides an award-winning medico-legal reporting service to legal and insurance firms. Our expert team takes over the medico-legal process on behalf of our clients, sourcing the best experts, managing appointments, and delivering the report to our clients as quickly as possible.

**We are currently recruiting GP soft tissue experts to conduct medical legal examinations:**

If interested please contact us with your details, location and evidence of significant experience in soft tissue examination.
