

BON SECOURS HOSPITAL GALWAY

## **Resident Medical Officer Manager**

The RMO Manager will be responsible for the operational management and professional development of the RMO team. The position will report to the Clinical Director of the hospital and will include responsibility for maintaining and developing the high standard of medical care for which the hospital is renowned. The post holder will typically work Monday to Friday 8am to 4pm subject to service needs.

Requirements for the post are as follows:-

- Registered with the Medical Council of Ireland
- Demonstrated leadership and management skills with a solution focused approach
- Personally and professionally accountable for patient care
- Experience of working with a multi-disciplinary team
- Previous experience of working within a JCI accredited hospital is an advantage
- A post graduate management qualification is desirable

The position will initially be on a two year fixed term basis. 39 hours per week.

Excellent terms and conditions apply to the post and will ideally suit medical leaders who wish to further enhance their leadership and management experience.

Please forward your application indicating your suitability and experience base for the role together with an updated CV to: Ms Michelle Kenny, Head of Human Resources, Bon Secours Hospital Galway.
