

2023 Student Essay Competition

Closing date: 31/10/2023

"What are the biggest challenges you anticipate working in medicine post-qualification?"

Medical students studying in Ireland are asked to submit an essay addressing this topic using no more than 1,500 words, five references and one illustration.

1st place: €300
2nd place: €200
3rd place: €100

The winning submission, selected by IMJ Editor Dr John FA Murphy, will be published in the January 2024 edition and the winning author will be presented with their prize at the Doolin Memorial Lecture on 02/12/2023.

To submit your entry, or to request further information, email the Assistant to the Editor at the IMJ Editorial Office at imj@imo.ie
