PEAK MEDICAL SPECIALTY CENTRES | PEAK PULMONARY | PEAK SLEEP | PEAK RESEARCH | PINNACLE MEDICAL CENTRES

## ATTENTION FAMILY PHYSICIANS

Pinnacle Medical Centres, which is part of the Peak Medical Group, is seeking Family Physicians to join their growing team of healthcare professionals in and around Calgary, Alberta, Canada.

The successful candidate must be eligible for licensure with the College of Physicians and Surgeons of Alberta. We have spots available for those physicians who already have their license, and we also have spots available for those physicians who need to go through the sponsorship and assessment route to obtain their license.

Once part of our group, our management team handles everything, including your scheduling, billing, referral coordination, admin and clinical staffing, information technology/computers, and electronic medical records. We offer a flexible schedule, and our friendly atmosphere and supportive staff will allow you to flourish while receiving competitive fee for service remuneration.

Established in 2010, the Peak Medical Group currently has 35 Specialists and 75 Family Physicians working at 20 community clinic locations across Alberta, including Calgary, Edmonton, Red Deer, Strathmore, High River, and Okotoks, with more locations opening soon. Our vision has always been to develop a network of multi-disciplinary medical clinics and support services that enables compassionate care and encourages enhanced patient education and wellness. Along with Family Physicians, we currently assist a wide range of specialists in their practice management, including Respiriology with Pulmonary Diagnostics, Allergy, Dermatology, Sleep Medicine, Neurology, Physiatry, Rheumatology, Internal Medicine, and others.
